# *Directory of One-Stop Sites*

The Workforce Innovation and Opportunity Act (WIOA) of 2014 supersedes the Workforce Investment Act (WIA) of 1998 and encourages coordination of core programs. WIOA emphasizes work-based learning and career pathway systems and increases outreach to disconnected youth. The following programs are required to deliver their services through the One-Stop system:

- Workforce Innovation and Opportunity Act
- Job Corps
- Native American Program
- Wagner-Peyser (Employment Service)
- Unemployment Insurance
- Trade Adjustment Assistance
- Senior Community Service Employment
- Veterans Employment and Training
- Vocational Rehabilitation
- Adult Education
- Post-secondary Vocational Education
- Community Service Block Grant Employment and Training Activities
- Housing and Urban Development Employment and Training Activities

One-Stop Centers in Arizona are defined in the following ways:

**Comprehensive One-Stop Center** - The basic services of the above listed partner programs are available on-site. This includes co-location of most staff from these programs.

**Affiliate Site** - Most of the basic services of the required partners are available on-site. These can be facilities operated by one program, but with other partner staff on-site. Information on the above listed partner programs are also available at this location.

*Your Partner For A Stronger Arizona*

Equal Opportunity Employer/Program \* Under Titles VI and VII of the Civil Rights Act of 1964 (Title VI & VII), and the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, the Department prohibits discrimination in admissions, programs, services, activities, or employment based on race, color, religion, sex, national origin, age, and disability. The Department must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. Auxiliary aids and services are available upon request to individuals with disabilities. For example, this means if necessary, the Department must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Department will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance if at all possible. To request this document in alternative format or for further information about this policy, contact (602) 542-3957; TTY/TDD Services: 7-1-1.
